GREENHILL FARM Animal Therapies

Explore the transformational power of animal-assisted therapy at Greenhill Animal Therapies. Whether you're in search of personal growth, emotional healing, or respite from life's pressures, our animals are ready to accompany you on this journey

WHY ANIMAL THERAPIES?

ANIMAL-ASSISTED THERAPY IS A UNIQUE AND EFFECTIVE APPROACH TO ADDRESSING A WIDE RANGE OF CHALLENGES, INCLUDING:

STRESS REDUCTION:

Interacting with our animals can reduce stress and anxiety, promoting relaxation and emotional well-being.

IMPROVED MOOD:

The unconditional love and companionship provided by our animals can boost your mood and alleviate symptoms of depression.

ENHANCED COMMUNICATION:

For those struggling with communication difficulties, our animals provide a non-judgmental platform to practice and improve verbal and non-verbal skills.

INCREASED SELF-ESTEEM

Building a bond with our animals can boost self-confidence and self-esteem, leading to a more positive self-image

SOCIAL SKILLS

Learning to care for and connect with our animals can enhance social skills and empathy, making it easier to relate to others

HOW GREENHILL ANIMAL THERAPIES WORKS

Our animal-assisted therapy sessions are conducted by experienced and certified professionals who tailor each session to your individual needs.

During these sessions, you'll engage in activities like grooming, walking, and bonding with our animals. Through these interactions, you'll develop valuable therapeutic benefits such as trust, empathy, and effective communication.

Please contact us to arrange your initial session and begin experiencing the profound benefits of interacting with our remarkable animal therapy team. Your path to a happier, healthier, and more fulfilling life starts here

£30 PER 1HR SESSION
